

The Job Show For Teens

Real Teens explore Real Jobs and share what it takes to get started and what's needed to keep it going in Michigan's hottest careers!

Spring 2007

Topics include - Physical Therapists, Youth Employment Summer Works Program and HVAC Technicians

Teen correspondents from Troy High School interview Erik Fountain of Beaumont Hospital about the responsibilities and the future job outlook for Physical Therapists in Michigan. And teen correspondents from the William D. Ford Career Technical Center in Westland interview Ronald Paul of Johnson Controls, and Ben Lincoln of D&G Heating and Cooling. Ronald and Paul give details about the Heating Ventilation and Air Conditioning (HVAC) field.

To find out when The Job Show For Teens is on your local access cable station, visit www.michigan.gov/jobshowforteens or contact your local cable provider.

Produced by the Department of Labor & Economic Growth in cooperation with the Michigan Department of Community Health.
